

JOEL JULIUS MANGWESI

Dar es Salaam, Tanzania | +255 617 726 792 | joelmangwesi23@gmail.com

PERSONAL DETAILS

Date of Birth:	June 23, 2004
Gender:	Male
Nationality:	Tanzanian
National ID:	20040623332200000229
Location:	Dar es salaam, Tanzania
Languages:	Swahili (Native), English (Fluent)

CAREER OBJECTIVE

A dedicated and ambitious student currently pursuing a Bachelor in Electronics and Telecommunication Engineering at the Dar es Salaam Institute of Technology (DIT). Eager to apply technical knowledge, problem-solving skills, and a strong passion for innovation to contribute effectively to dynamic technological and telecommunications environments.

PRACTICAL TRAINING / EXPERIENCE

Tanzania Telecommunications Corporation (TTCL) — Headquarters 3 Months Field Practical Training

Gained hands-on professional experience by rotating through four key technical departments:

- Radio Transmission Department:** Learned about microwave links, antenna alignment, and wireless signal transmission systems.
- Switch and Data Department:** Observed and assisted in core network switching operations, routing, and data communication management.
- Access Network Department:** Participated in local loop infrastructures, fiber optic management, and copper/cable distribution systems.
- Power and Air Conditioning Department:** Gained knowledge on critical telecom site power backup systems, generators, rectifiers, and HVAC maintenance.

Sprint TZ

- **Fiber/Cable Route Surveying:** Conducted comprehensive site surveys to plan, optimize, and map out effective routes for internet cable installations.
- **Network Device Configuration:** Configured routers, access points, and network hardware to deliver stable internet connectivity for clients.
- **Network Infrastructure & Deployment:** Assisted in deploying access networks, ensuring proper cable management, signal integrity, and high-speed data delivery.
- **Technical Troubleshooting & Maintenance:** Performed on-site network diagnostic tests and resolved connectivity issues to ensure optimal system performance.

EDUCATION

Dar es Salaam Institute of Technology (DIT) Oct 2024 – Present
Bachelor of engineering in Electronics and Telecommunication Engineering (Third Year)

Shinyanga Secondary School 2022 – 2024
Advanced Certificate of Secondary Education Examination (A-Level)

Kitangiri Secondary School 2018 – 2021
Certificate of Secondary Education Examination (O-Level)

Kitangiri B Primary School, Mwanza 2011 – 2017 *Primary School Leaving Examination*

SKILLS

Technical Skills:	Network operation and management, telecommunication systems maintenance, radio transmission fundamentals, switch and data routing basics, telecommunication systems maintenance, fiber optic & access network infrastructure, router configuration & setup, cable route surveying, power systems (rectifiers/generators), basic electronic circuit troubleshooting, and hardware diagnostics.
Computer Proficiency:	Microsoft Office Suite (Word, Excel, PowerPoint), Internet research, data management.

Soft Skills:

Team collaboration, effective communication, analytical problem solving, fast learner.

REFEREES

Prof. Kenedy Greyson Aliila

Lecturer & Head of Department (HOD), Department of Electronics and Telecommunication Engineering

Dar es Salaam Institute of Technology (DIT) | Phone: +255 745 305 501

Dr. Joseph Julius Mangwesi

Medical Doctor

Muhimbili National Hospital | Phone: +255 716 786 440
